

# Kansas City Lunch and Learns

**Save the date!**

I xeroxed my watch. Now I have time to spare.

— *Steven Wright*

Use your spare minutes to join the Kansas Small Business Environmental Assistance Program (SBEAP) at our Kansas City Lunch and Learns. Attend any or all of four “lunch and learns” during summer 2008. Learn about everyday activities that impact local air quality and how you can help reduce that impact. Topics include —

- **June 11** – What Businesses Need To Know
- **July 9** – Lawn Care for Clean Air
- **Aug. 13** – Idling Reduction
- **Sept. 10** – Energy Efficiency for Businesses

These **FREE sessions** will take place from 12:00–1:00 p.m. at the Johnson County Environmental Department located at 11811 S. Sunset Drive, Olathe, Kan. Bring your own lunch and attend in-person or participate through your computer via conference call.

To register, call the SBEAP at 1-800-578-8898 or visit [www.sbeap.org](http://www.sbeap.org) for more information.
