

City of Prairie Village
Notice of Demolition and/or New Single-Family Residential Structure

In accordance with the City of Prairie Village Zoning Regulations, the purpose of this document is to notify you that plans have been filed at City Hall for a demolition of a single-family residence and/or new single-family residence within 200 feet of your property. The City encourages all contractors and property owners to be good neighbors. If you have questions or concerns regarding the specific construction details of this permit application, you may contact the property owner or the general contractor responsible for the project listed below. A site plan and elevation drawings for the project are also included with this notice.

Address of Property: _____

Name of Property Owner: _____

Anticipated End Date of Construction: _____

Notice of City of Prairie Village Noise Ordinance

The Prairie Village Municipal Code prohibits construction noise before 8:00 a.m. and after 8 p.m. Monday – Sunday. From May 15 – September 15, construction noise is permitted to begin at 7 a.m., except on weekends and federal holidays. If you witness this ordinance being violated, it is important to report it to the Police Department immediately when it occurs. You may contact the Prairie Village Police Department at their non-emergency number at 913-642-5151. Contractors who violate this ordinance will receive a Notice to Appear in Municipal Court.
