The City of Prairie Village is committed to making its services, programs, activities, and facilities accessible to persons with disabilities. For example, all parks have van and car accessible parking spaces. Bennett, Franklin, Meadowlake, Porter, and Windsor Parks have accessible play equipment. The Prairie Village Pool has accessible van and car parking spaces, accessible restrooms and shower facilities, and an accessible chair lift for entry into several pools. The City also has a wheelchair that can be taken into the water in the zero depth entries of the Leisure and Wading Pools . Two tennis courts and one practice court are accessible at Harmon Park.

The City of Prairie Village encourages persons with disabilities to participate in the City's Recreation Programs. For reasonable modifications to a City service, program, activity, or facility contact the City's ADA Coordinator at:

## **STARTING OFF THE MILLENNIUM WITH A BIG SPLASH!**

The City of Prairie Village is very excited to announce the opening of the new Prairie Village Pool on **Saturday, May 27, 2000!!!!** The renovations and additions to the pool complex make the Prairie Village Pool one of Johnson County's premier aquatics facilities. Notable additions to the new complex include two water slides and the Plunge pool, zero depth entrances to the Leisure and Wading pools, a therapeutic whirlpool located near the Adult pool, expanded pool deck area, a sunning area, computerized membership processing and improved accessibility. There are also many new additions that are not so apparent. These improvements include a new filtration and chemical system and independent plumbing for each pool's drainage system. All of these improvements will enhance both safety and enjoyment for all pool patrons.

In addition to the physical improvements of the Prairie Village Pool, the City has worked hard to recruit, hire, and train an excellent pool staff. The expanded pool staff for 2000 includes many returning lifeguards and an experienced management team. All Prairie Village lifeguards are Red Cross certified, carefully screened, and vigorously tested. We hope you agree that this top notch staff will make your Summer at the Prairie Village Pool safe and enjoyable.

The City has expanded and improved many things at the Prairie Village Pool all without increasing the cost of pool memberships to Prairie Village residents.

# PRAIRIE VILLAGE SWIM TEAMS

## The Prairie Village Piranhas

Every year swimmers from the ages of 6 to 18 join the ranks of the Prairie Village Piranhas Swim Team! The purpose of the Prairie Village Piranhas Swim Team is to provide young people with the opportunity to enjoy competitive swimming. This program is intended for swimmers with intermediate to advanced swimming skills and is not intended for first-time swimmers or as a substitute for swimming lessons.

To swim with the Piranhas, team members must be able to meet minimum eligibility requirements. All swimmers must be able to swim the length of the Lap Pool (fifty (50) meters) in either the freestyle stroke, back stroke, breast stroke or butterfly stroke without propelling themselves forward by grabbing the lane markers or the side of the pool.

The Piranhas will have a swim team tryout for Prairie Village residents on **Saturday, June 3<sup>rd</sup>, between 10 a.m. and Noon**, at the Prairie Village Pool. The non-resident swim team tryout will be held the same day, **Saturday, June 3<sup>rd</sup>, from 1 p.m. to 3 p.m.**, at the Prairie Village Pool. **These tryouts are required for all swimmers. No swimmer will be allowed to join the Piranhas without first participating in the tryout.** There will be no makeup dates for tryouts, so please make time for this day. All swimmers will be tested to ensure that they can meet the minimum eligibility requirements and will be timed on swimming the required fifty (50) meters. Please bring a swimsuit to the tryouts! The Head Swim Coach will make the determination of whether a swimmer has met the minimum eligibility requirements. The Head Swim Coach's decision is final.

The Piranhas swim team will have 50 swimmers in each of the following age groups: 6-9, 10-11, 12-13, 14-15 and 16-18. Each age group will have 25 girls and 25 boys. Team slots will be filled based on the best times obtained in the tryout with first preference given to Prairie Village residents who were on the team last year, then to all other Prairie Village residents, then to non-residents who were on the team last year, and finally to all other non-residents. If there are not enough boys to fill the 25 slots for an age group, the slots will be filled with the best times obtained at the tryout by the remaining girls in that age group, with first preference to Prairie Village residents who were on the team last year, then to all other

Prairie Village residents, then to non-residents who were on the team last year and finally to all other non-residents. If there are not enough girls to fill the 25 slots for an age group, the slots will be filled with the best times obtained at the tryout by the remaining boys in that age group, with first preference to Prairie Village residents who were on the team last year, then to all other Prairie Village residents, then to non-residents who were on the team last year and finally to all other non-residents.

Practices are held Mondays - Thursdays as follows: 7:30 a.m. to 9:00 a.m. for 12 and older swimmers; 8:45 a.m. to 10 a.m. for 11 and under swimmers. The League offers “Competitive” swim meets for ages 18 and under and “Pre-Competitive” swim meets for swimmers ages 10 and under, who have not scored a point in a regular meet in the given stroke (relays not included). “Competitive” swim meets are normally held each Thursday evening at the Prairie Village Pool or other neighboring community pools. “Pre-Competitive” meets are generally held on Saturday mornings.

Team members will be guaranteed to swim in one “Competitive” swim meet. Participation in all other swim meets will be based on the best times recorded during swim practice.

Piranhas tryout registration will be available May 1<sup>st</sup>. Registration does not guarantee that a swimmer will be chosen to swim with the Piranhas, only that they have an opportunity to tryout. Please bring your registration form(s) to the tryouts on June 3<sup>rd</sup>. Registration forms will be available at tryouts for same day registration.

Prairie Village resident swim team fees are \$50 for the first child and \$45 for each additional team member in the same family. The non-resident swim team fees are \$85 per child or \$50 per child who has a Prairie Village Swimming Pool membership. Swim team fees are due the day of tryouts
