### **The following rules apply to all areas of the Prairie Village Pool:**

- Each patron over the age of one year must have a pool membership ID card, a swim card, or pay a daily entrance fee for admission.
- Membership ID cards must be presented for each entrance into the pool complex.
- A responsible party must supervise patrons under the age of nine at all times. A responsible party is defined as a person fourteen years of age or older who has the ability to swim. Supervision is defined as having the child who is less than nine years old within arm's reach at all times while at the pool. Patrons age nine and older are permitted in the pool without supervision, but are subject to removal by the Pool Manager on duty if they create a health or safety risk.
- Infants are required to wear plastic pants or swim diapers in the pools.
- Any patron in water deeper than his/her armpits may be required to demonstrate to the lifeguard or Pool Manager on duty that he/she is capable of swimming the width of the pool in that depth. If the patron is unable to do so, he/she must remain in water that is below his or her armpits.
- The following items or activities are prohibited at the Prairie Village Pool:
  - a. Toys or play items including, but not limited to, beach balls, noodles, wings, etc.
  - b. Flotation devices, unless they are Coast Guard Approved Personal Flotation Devices.

  - e. Radios, CD players, TV's, and tape recorders (unless used with personal headphones).
  - f. Animals, other than service animals.

- Persons wishing to take pictures inside the pool area must obtain permission from the Pool Manager on duty.
- The City of Prairie Village assumes no liability for the loss or theft of a patron's personal belongings. Lockers are provided to secure personal belongings. Patrons may bring locks for use on lockers. All locks must be removed at the end of the day or they will be removed. Items left in lockers after the end of the day will be placed in the pool's lost and found.
- The Pool Manager on duty has the authority to enforce these rules and may remove any patron who violates these rules from the Prairie Village Pool area.

### **Water Slide/Plunge Pool**

- Swimmers must be at least 48 inches tall to use the water slide.
- One person will be allowed on the slide at a time.

Any flotation device permitted as a reasonable modification to these patrons must be a Coast Guard Approved Personal Floatation Device.
- The City of Prairie Village will make reasonable modifications to the Pool Rules and Regulations for any person with a qualified disability. Any person requesting modifications to these rules and regulations must identify the qualified individual with a disability to the Pool Manager on duty and request such modification on each visit upon entering the pool complex.

**ASSURANCE STATEMENT**

## Prairie Village Pool Healthy Swimming Habits

Many people do not realize that swimming is a form of communal bathing and that pool and spa water contains microorganisms. It is not sterile even when treated with disinfectants like chlorine. Many don't realize that everybody releases traces of feces and millions of bacteria into the water, even after taking a shower. To mitigate the chances of pool contamination, we ask for your help with the following if you intend to use the Prairie Village Pool:

- Don't swim if you have diarrhea
- Don't swallow pool or spa water
- Don't swim unless you shower, and wash your hands after using the bathroom
- Take your kids on frequent bathroom breaks
- Change diapers frequently in the bathroom and not poolside
- Wash children thoroughly with soap and water before swimming

Thanks for your help making the 2006 pool season safe and fun.

## Swimming In Prairie Village

**Joel Rios** will take over as Prairie Village Pool Manager for the 2006 season. **Nick Erker** and **Stephanie Sears** will return as Assistant Pool Managers. **Jen Holland** will be the third Assistant Pool Manager.
