PARALLEL PLAY

Parallel play lets kids enjoy similar activities at their own challenge levels side by side. Kids can wheel on the ramp racing kids climbing right beside the ramp both arriving on the next deck together.

EVERYONE REACHES THE TOP!!

Wheelchair accessibility throughout the structure to the very top. At your park no child will be left only watching as everyone else continues to the top.

CREATE
**GRADUATED
COMPLEXITY**

A truly inclusive playground encourages children to develop new skills at their own level. We want every child to be challenged—that's why YOUR playground has gross motor equipment rated easy, medium, or hard.
