Prairie Village Pool Healthy Swimming Habits

Many people do not realize that swimming is a form of communal bathing and that pool and spa water contains microorganisms. It is not sterile even when treated with disinfectants like chlorine. Many don't realize that everybody releases traces of feces and millions of bacteria into the water, even after taking a shower. To mitigate the chances of pool contamination, we ask for your help with the following if you intend to use the Prairie Village Pool:

- Don't swim if you have diarrhea
- Don't swallow pool or spa water
- Don't swim unless you shower, and wash your hands after using the bathroom
- Take your kids on frequent bathroom breaks
- Change diapers frequently in the bathroom and not poolside
- Wash children thoroughly with soap and water before swimming

Prairie Village Pool Rules and Regulations

The Pool Rules and Regulations are part of the City's continuing effort to provide a safe recreational environment. Please review these rules before visiting the Pool. Violations of pool rules may result in loss of pool privileges. If you have questions about any of these rules, please contact the Pool Manager on duty.

The following rules apply to all areas of the Prairie Village Pool:

- Each patron over the age of one year must have a pool membership ID card, a swim card, or pay a daily entrance fee for admission.
- Membership ID cards must be presented for each entrance into the pool complex.
- A responsible party must supervise patrons under the age of nine at all times. A responsible party is defined as a person fourteen years of age or older who has the ability to swim. Supervision is defined as having the child who is less than nine years old within arm's reach at all times while at the pool. Patrons age nine and older are permitted in the pool without supervision, but are subject to removal by the Pool Manager on duty if they create a health or safety risk.
- Infants are required to wear plastic pants or swim diapers in the pools.
