RE: **October 2024**
Court of Appeals Docket

Dear Counsel:

Your case has been set on the enclosed Court of Appeals docket. **Please note the location, date, time, and panel before which you are to appear.** This is the only notice you will receive with this docket information. Because of the Court's caseload, continuances will only be allowed if there are exceptional circumstances to justify the delay.

Your case has been designated for oral argument because counsel requested it or because the court believes oral argument will aid in the decision. **If oral argument is no longer desired, a motion to waive oral argument must be filed with the Clerk of the Appellate Courts at least 10 days before the hearing day.**

Questions about the docket should be directed to Chelsey Langland, Chief Counsel, at (785) 291-3005 or langlandc@kscourts.org.

Very truly yours,

NOTICE

The parties are hereby notified when sentencing is challenged in any criminal appeal, the State, under Supreme Court Rule 2.042, has a continuing obligation to notify the appellate court clerk, in writing, of any change in the custodial status of the defendant during the pendency of the appeal. The State should determine the defendant's custodial status when the case is scheduled for oral argument or assigned to the summary calendar docket.

Oral arguments are limited to 15 minutes each for appellant and appellee, except as otherwise provided by Supreme Court Rule 7.02(e). If additional time has been granted, it is shown below the case number.

All attorneys are expected to be present at the beginning of the morning or afternoon session in which their arguments are scheduled. Argument is sometimes waived and last minute emergencies occasionally necessitate rearranging the order of the docket.

Failure to appear at the proper venue in a timely manner may result in the waiver of oral argument. The location of argument for each docket is placed at the top and bottom of each page.
