Old Business

PV Arts Show, June 1-3rd

The show was well attended and the weather was very cooperative. The artists did well at the event. There was some discussion on having the artists close at 8 p.m. rather than 9 p.m.

State of the Arts Event, October 12, 2012

Randy Kronblad indicated that the schedule for submissions has been set. The awards will be as advertised. PV Merchants Association will be sponsoring one of the honorable mentions.

The Council had a discussion about getting donations for the SOTA event and discussed who would be contacting which possible donors.

The Council also discussed whether to send both post cards and email to the address lists. It was decided to send both. Randy Kronblad also noted he listed the show on Art Show.com. Staff will also contact the City of Merriam and ask if they would send the notice to artists in their database.

New Business

Dan Andersen said that the Arts Council is committed to taking pictures for the Sister City Committee to take to Doylona in September. It is limited to providing the digital image and Doylona will print the images.

Please have the images ready by the second week of August and photos will be reviewed by the Commission at the August meeting. A total of 40 photographs will need to be submitted so if each member will take 10-20 photos, that should be sufficient to meet that goal.

About Us

Wouldn't you like to be able to walk into a gallery and not only understand the art but be able to afford it? Wouldn't you like the option, if you aren't an impulse buyer, to think over your selection, view it and then buy it online? This is the basic idea behind P&M Artworks. We want to promote the finest art and artisans from around the world.

Our taste tends to be more representational than contemporary. We are not limited to painting, photography and sculpture. Our hope is to present artwork in all its forms: jewelry, ceramics, metal, wood and textiles. We personally own a piece by every artist we show you in our gallery.

An art historian and a psychiatrist seem an unlikely combination, but we both have a keen interest in people and the way they express themselves. We love to travel and when we do, we haunt the market places, artist workshops, galleries, and local bazaars looking for wondrous things to bring home and enjoy.

We intend to feature two to three artists at a time every six to eight months. Sometimes the art will be displayed online only and sometimes the art will be at a local gallery space as well. Stay tuned!

All applications are subject to approval by the Prairie Village Arts Council. You will be notified when the exhibit is approved and additional information will then be forwarded to you.

Dale Cole was born and raised in Kansas, served as an optometrist in the Army for 2 years and practiced for 35 years here in Salina, Kansas--retiring in May '06.

In the mid-1980's, Dr. Cole began taking photos during travels on missions with VOSH/International--an organization that does volunteer eye care work around the world. He would use the photos in slide presentations to local organizations. Over the years, photography 'developed' into a major part of his life. Since retiring, he now considers photography, plus golf and travel, his full-time "occupation"!

Having been on over 25 eye care missions and representing VOSH/International as President in 2004-5, Dr. Cole has seen some fascinating parts of the world. He shares many of the images from the various trips on his website www.dalecolephotos.com and now in his new book "Journeys—Around the World"—featuring 18 USA states and 17 foreign countries.

His photography has often been selected to be exhibited at the annual juried 5 State Photography competition sponsored by the Hays Arts Council, receiving a Jurors Award one year. He is published in various magazines. His work has also been exhibited at the Salina Country Club, Steifel of Salina, RG Endres Gallery in Prairie Village and Lindsborg's Birger Sandzen galleries. The Volunteer Connection has chosen his work several years for their Postcard Series.

Dr. Cole has been a member of local galleries since 1990, the latest being ArtXpressions Gallery where he and Stan Lauer were co-owners until it closed in January 2011.

His photography is presently being exhibited in many locations in Kansas—including Kansas Originals near Wilson, KS and the Travel Center near Goodland—both off Interstate I-70, Salina Museum Gift Store, Key Rexall Pharmacy in Salina and from his website.
